

State-Approved Industry Recognized Credentials

To meet the requirements of the South Dakota High School Graduation Advanced Career Endorsement a student must earn at least one industry-recognized credential. If the student is meeting the requirements of the endorsement through coursework in an approved CTE program (either in part or in full), the credential must be from the same cluster as the student's coursework.

Additions of Industry-Recognized Credentials to the State-Approved List

Schools may submit recommendation(s) to Michelle.Nelson@state.sd.us by October 1.
